ONLY NEWSPAPER DEVOTED ENTIRELY TO THE INTERESTS OF JEFFERSON COUNTY

Vol. 4. No. 10.

Jeffersonstown, Jefferson County, Ky., Thursday, August 25, 1910.

ONLY TWO MORE DAYS

Until the Close of the Great Diamond Ring Popularity Contest.

Misses Rooksby and Brooks Still Lead, But Misses Hoke and Hall Are Giving Them a Close Race.

The vote to date follows:

Miss Pearl Rooksby, Anchorage.....	12,220
Miss Lila Brooks, Middletown.....	11,010
Miss Mary M. Hoke, R. 21, Harrod's Creek.....	10,620
Miss Ruth Hall, St. Matthews.....	10,480
Miss Hattie Wetherby, Middletown.....	7,305

With five popular girls in the Jeffersonian-Merchant's popularity contest in the First Magisterial District of Jefferson county and twenty or thirty in the piano contests helping them out, ballots have been coming in thick and fast during the past week, and will doubtless give the leaders a "run for their prize." Miss Hattie Wetherby increased her vote, but did not make as rapid progress as the two above named. The two leaders, Misses Rooksby and Brooks—in race-horse parlance—are "peck and neck" for first honors at present, but if the third and fourth contestants make as rapid speed as they did the past week, they had better look out—there will surely be "some thing doing" on next Saturday.

Important Points.

The contest closes next Saturday, August 27, 1910, promptly at 3 o'clock p. m. No votes will be received after that time.

The winner will be given the privilege of selecting either the \$50.00 Diamond Ring, or \$40.00 Set of Tableware. The second to receive the prize the first does not select. The young lady receiving the third largest number of votes will receive a \$20.00 Eastman Camera.

Votes are issued at the jewelry store of Chas. E. Seng, 306 East Market St., Louisville—\$40 with each dollar in trade. Also, 100 with each subscription to the Jeffersonian and with each dollar paid on job printing executed for parties in the First District. Votes are also issued in the piano contests and all contestants may help each other.

Remember the contest closes at 3 o'clock Saturday! Have all your votes in promptly. We do not know who the winner will be, but do know that they will be the ones receiving the greatest number of votes.

FOR COUNTY BONDS

For School Buildings to Cost About \$500,000

Advocated at Conference Commercial Club.

Committee of Nine to Sign Publican Matter.

A notable campaign to make Jefferson county's rural schools the equal of any in the United States by the expenditure of \$500,000 in the erection of forty model buildings on model grounds was launched last Saturday at a meeting of citizens interested in the movement with members of the State Development Committee of Louisville Commercial Club building.

The movement for the improvement of the rural school system of the county was the most comprehensive in its scope ever launched in Louisville for a similar purpose. To make possible the expenditure of the sum named, the promoters of the project will have to ask at the meeting of the General Assembly eighteen months hence that legislation be enacted allowing any county in the State by a vote of a majority of its electors to bond itself for any period it may choose, not to exceed thirty years, provided that the proceeds of the bonds be expended for the school buildings and equipment for a modern school system. It was decided, however, to ask the General Assembly at that time to do exactly that thing.

Just how serious the State Development committee of the Commercial Club is in the project is evidenced by the fact that at the meeting of J. B. McFerran, chairman of the committee, and J. M. Atherton, each pledged \$500, Thurston Ballard, \$100, and other persons present smaller amounts to finance a campaign in behalf of the movement. On motion of J. M. Atherton a committee of five was authorized to arrange to take the sense of voters over all over the county on the matter of procuring the legislation necessary, issuing bonds and building the school houses.

According to the plan as outlined by Chairman McFerran, it is desired to erect in each of the eight divisions two other model \$10,000 buildings and two other model \$5,000 buildings. This would be a total of forty new schools in the county, at the cost estimated entailing an expenditure of \$400,000. With the \$60,000 balance the committee figures that ground from five to ten acres in extent could be purchased around each building for practical and experimental farming as a part of the school building.

"This plan if carried out," said Chairman McFerran, "will place Jefferson county abreast of any county in the nation in its educational equipment and forever wipe out the stigma that rests on the fair name of Kentucky in regard to her public schools."

There was raised at the meeting last Saturday a total of \$1,165 to carry on the campaign of educating public opinion in favor of the proposed improvement. In addition to \$500 subscriptions of Messrs. McFerran and Atherton and Mr. Ballard's \$100 subscription, Prof. Hunt and E. R. Spivey each subscribed \$25 and Wm. B. Eagles \$15. It is probable that lectures and addresses will be given all over the county in behalf of the movement, and that numerous stereoscopic views will be used in illustrating the possibilities of model schools.

Addresses were made at the meeting last Saturday by Chairman McFerran, J. M. Atherton, Prof. R. B. Halleck, Prof. Miller, Prof. B. B. Hunkton, Thurston Ballard, Prof. R. S. Savelly and Mr. E. R. Spivey. Much enthusiasm was shown by the committee and the numerous visitors present.

Rev. Blair Stricken With Appendicitis.—Mrs. Chris. Ellingsworth Still Feels Effects of Automobile Accident.

Fairmount, Aug. 16.—It will be painful news to a host of relatives and friends of the Rev. G. A. Blair, of San Francisco, Cal., to learn he and his eldest daughter had boarded a steamer at Seattle, Wash., which was to carry them on a trip to the Orient on a vacation when he was afflicted with appendicitis. He was not able to sail, and was taken back to San Francisco, where he is arriving on the same day he arrived.

The last report from him was favorable. He was broken down from overwork, and his church gave him an 80-days' vacation, which he and his daughter, who also is in delicate health, expected to spend in travel in foreign points of interest in the Orient.

Mrs. Chris. Ellingsworth, who was so badly injured by an automobile running into her buggy and throwing her out, a few months ago, is still suffering from the accident and confined to her bed most of the time. She is a miracle also was killed. She was rendered unconscious and her head, neck and back are badly injured.

Mrs. L. V. Hansbrough and son, McClure attended the Taylorville fair Thursday and Friday, and were delighted with it. They were present at their first fair last year and were so well pleased and royally entertained they could not resist the temptation to attend this year. It was an improvement over last year.

A Few New Members—County Schools Open September 5.

The Jefferson County Board of Education, composed of the chairmen of the eight division boards in the county, met at the courthouse Saturday afternoon. The Board is made up with a few new members, the divisions having recently organized and elected chairmen. In the third division Mr. Harry Hummel, who has served as chairman for the past two years, declined to accept the office again, and nominated Prof. R. H. Savelly, who was elected. In the fourth division Dr. Geo. Breidenbach could not hold his office as chairman on account of the annexation of the city of his residence, and E. C. Roy was elected in his place. Mr. W. S. Kemp in division five was also a new member. Divisions are yet to be organized.

The first business of the Board was to take up the proposition to consolidate the schools, along the Prospect car line. Information regarding this is being given to the public.

Death of Mrs. Mary Kanie.

Mrs. Mary Runic died at her home near Fisherville Friday of a severe typhoid fever. She was a devoted member of Mt. Zion Lutheran church and highly esteemed by all who knew her. The funeral services were conducted by Revs. Burger and Shanks at Mt. Zion Saturday morning after which the remains were tenderly laid to rest in the church burial grounds.

Fish Fry and Dance.

Prestonia, Aug. 26.—The Prestonia school, district No. 28, under the auspices of the Improvement League gave a most successful fish fry and dance Saturday afternoon and evening at the residence of Mr. Louis Schmitt on Darrett's lane. The event was enjoyed by the large and enthusiastic crowd present. Why not give a "Jambalaya Feast" in the early autumn and have it last serve? It certainly would be happy.

Preaching by Rev. Harry Drake.

All who attended the special meeting Sunday morning at the Jefferson-town Baptist church heard a very fine sermon by one of our own boys, Mr. Harry Drake, son of Mr. Wm. Drake and brother of Mrs. S. S. Coe, who is on his way to college from Cincinnati, O., to the Hall-Moody school, of Tennessee, where he expects to take more training for the ministry. Having recently responded to the call and in answer to mother's prayer, he expects to spend his life in the work for lost souls. Drake gives promise of a very useful man and gives evidence of a fitness for the evangelic work. He is a God-fearing and a God-loving man, and we may expect great things from him in the future.

W. C. Hooper.

Made Money For Daville Fair.

Col. I. M. Dunn, the popular secretary of the Daville fair, is thoroughly convinced of the value of county newspaper advertising. He has advertised the fair this year in no other way; cut all posters, bills and other ways which cost much but give little results and confined himself exclusively to the newspapers. The result, Col. Dunn says, is that the Daville fair made more money this year than in any previous year. He says he will use nothing but the country press in the future and advises others seeking profitable advertising to do likewise. Col. Dunn is talking a tri-county fair by Boyle, Lincoln and Garrard counties, and his suggestion is meeting with much favor by leading farmers. He estimated the fair this year at three counties—interior Louisville.

Midtown League Entertained.

The Midtown Epworth League was entertained at a most enjoyable evening by the Jefferson-town League at "Elyanite," the home of Miss Lucy Carpenter Kennedy, near Jefferson-town. The ladies were illuminated by lanterns and the house was beautifully decorated for the occasion, the Epworth League colors, white and yellow, being the color scheme. A very entertaining program, consisting of recitations, instrumental and vocal solos, and vocal duets was rendered, after which the young folks were invited to the dining room, where delicious cakes and ices were served. The ladies formed a most attractive and baskets of yellow and white flowers were in profusion. Silver candelabra with yellow candles, forming the light and the ices and cakes were also of yellow and white. About thirty guests partook of the Kennedy hospitality, and all expressed the little entertainment a pronounced success.

Wm. H. Chamberlain Dead.

Wm. H. Chamberlain, aged about 70 years, passed away at his home at Worthington Thursday of last week, after a long illness of paralysis. Mr. Chamberlain was born and reared in the community in which he died, and was a blacksmith by trade. He was well thought of by a host of friends and is a man that the county can ill afford to lose. He is survived by his wife and three children, Theodore Chamberlain, of Oldham county, E. T. and Albert Chamberlain, of Worthington, and Mrs. Harry Simon, a sister, Mrs. Henry Carfield, also survives. The funeral services were held at the Presbyterian church Saturday.

One of the most delightful dances of the season was given recently at Jenkin's lawn. The following young people were present: Misses Bessie Wells, Bettie Breveling, Alma Ogles, Mary Bischoff, Catherine Bischoff, Mamie Gramsick, Lillie Tobbe, Florence Fischer, Lillie Rose, Rosemary Dugan, and Margaret Bischoff, Mayme Tobbe, Katie Tobbe, Rosa Bischoff, Carrie Franklin, Lillie Roth, Josie Werner, Messrs. Birthday Surprises.

Fairmont, Aug. 16.—Mrs. L. V. Hansbrough was given a delightful birthday surprise by her husband and sons and daughters and their husbands. A sumptuous dinner was prepared; the table literally groined with food. Some very useful presents were received among which was a lovely blue stone serge suit, which cost \$12.5 a yard and which was priced at \$15.00. Mrs. Hansbrough was very much pleased to receive it. Her husband, Mr. Wm. Hansbrough told the crowd she owed them a speech, but to save her life she could not talk—her surprise was too complete; it took all her words away.

Nineteenth Birthday Celebrated.

The nineteenth birthday anniversary of Mr. W. D. Dale was celebrated in his honor by his children at his beautiful home in Spencer county Wednesday, Aug. 17. Mr. Dale is widely known and has many noble traits of character that endear him to all. A beautiful dinner was served, the table being beautifully decorated with flowers, in the center of which burned 90 candles, emblematic of his age, making a beautiful picture.

Among the guests were ten children, as follows: Mrs. Millie Rice and Mrs. Josie Stevens and Mrs. M. D. Plate, Lexington; J. W. Dale, Plattburg, Mo.; Mrs. J. M. Proctor, Jefferson-town; Mrs. Della Smith and Mrs. Pittsinger, Fisherville; Mrs. Lena Crutcher, Elk Creek; Mr. J. Y. Dale and Miss Fannie Dale. The other guests were Mrs. Sallie Maddox, of Warfield; Mrs. M. M. Dale, Fisherville; Mr. J. M. Proctor, Jefferson-town; Mr. Abner Crutcher, Elk Creek; and Paul Stevenson, Louisville.

Dale was the recipient of several nice presents. The day was spent with spiritual songs, and the rather reciting from memory the first chapter of Paul and making one of his good prayers. Mr. Dale is a man of buoyant, hopeful spirit; though frail, he possesses a great deal of vitality and is able to visit his children and friends, mount his horse from the ground and take horseback rides, and is a bright and shining light to all he touches. It is a good thing that a man of his kind will furnish many pictures to hang on memory's wall.

Is Uncle Sam's Leading Potato Shipping Point.

Kennosdale An Ideal Town Written A. B. C. Some of the Things the People Are Doing Along R. F. D. 19.

St. Matthews, Aug. 22.—This being the regular time of my appearance, and these items sent in for publication of enough importance to report, is the excuse I offer for this talk today.

The St. Matthews shipping station is now in the lead over all others in Uncle Sam's domain. Isn't that something to be proud of? The thousand tons of potatoes shipped daily at this place testify to its importance and the industry of its people. I know we are slow in some respects, but we are not slow in long run. If one expects to outstrip these folk they will have to get up before day and hustle during all day long.

The funeral of Mr. Wm. Chamberlain was conducted from Worthington church Saturday afternoon at 3 o'clock. Burial in Worthington cemetery.

Mrs. Gilbert Dick left a few days since for a few weeks' visit to her home in Missouri. Her husband will join her later.

Miss Mary Edinger has returned from her visit at a house-party at Frankfort, with many pleasant memories of the place and its people.

Price Hudson has returned here on his home in New Orleans, after making a visit to his parents, Mr. and Mrs. Price Hudson.

Several new dwelling houses are being built in this vicinity this month. Among the handsome residences worthy of mention are Mrs. Albert Bauer's on the main boulevard and Mrs. Helma's on Cherokee drive.

Last week, I had the pleasure of visiting at Kennosdale, the well appointed establishment of the Pot Co. It is an ideal store, as it is situated in an ideal town. These little "daisies" seem insignificant in price, but one must go there to realize how they are independent by beauty and all that's needful, surrounded by the city. You can at a moment's notice obtain anything to drink or eat. Think of selling in one month to its inhabitants 75,000 bottles of pop, and the people neither drunk nor popped.

A Shower Without A Drop of Rain.

The Ladies Mission Society of the Jefferson-town Baptist church met with Mrs. Thomas Riley Wednesday afternoon, Aug. 17th, for the regular meeting. The topic for discussion was "Missions in Italy." After a good interesting program, led by the president, Mrs. S. S. Coe, a line of prayer was formed, all moving toward the pastor's home laden with baskets, bags, cans, etc., filled with good things to eat. The pastor is usually a secret and know how to do things. After the rendition of several selections of music they turned around, leaving the pastor and his good wife feeling that no better group of women could be found anywhere than these with whom their lot has been cast.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Beginning August 23, and to run three months, Mr. W. W. Dawson, of Lyndon, will give a \$550 Krause piano and Due Bills amounting to \$890, upon the same conditions as Peary & Coleman's and Union Store Co.'s piano contests. The Rules and Information for the three contests are printed in this issue. Read them and then get into one of the contests and win the handsome \$550 piano or one of the Due Bills.

Quite a number of the contestants are under the impression that the piano is the only prize offered, when in fact there are five prizes offered in each contest—

Second—\$240 Due Bill.
Third—\$250 Due Bill.
Fourth—\$240 Due Bill.
Fifth—\$250 Due Bill.

The piano is valued at \$350 and if you win one of these Due Bills it will simply mean a credit of just that much upon the piano in case you desire to purchase it. If you do not, you may sell the Due Bill to some person who does want to buy a piano. The Due Bills are certainly worth working for. Don't overlook that fact.

Voting coupons can not be purchased at any price other than free coupons appearing every Thursday in this paper. The only ways by which piano votes can be obtained are through subscriptions to The Jeffersonian, 1,000 with each subscription, or through either of the merchants giving the contests, who giving 200 votes on each dollar purchase from their general list of goods and 500 from their new weekly department.
